IBS severity scoring system (IBS-SSS)

LP Laura Prospero GR Giuseppe Riezzo FR Francesco Russo

Updated date: Jun 20, 2022

An abbreviated version of this protocol was published in BMC Gastroenterology in May 2021

Somatization in patients with predominant diarrhoea irritable bowel syndrome: the role of the intestinal barrier function and integrity

DOI: 10.1186/s12876-021-01820-7

Detailed protocol

Enclosed please find the paper on the validation of the IBS-SSS containing the questionnaire form.

I hope it will be useful to you.

Dr G Riezzo
